FREE ELECTRICAL RECYCLING COLLECTION DAYS

Goleen & District Community Council are de-lighted to announce a free Electrical Recycling Day open to all in this peninsula and beyond, following on the huge success of the farm plastic collection. This electrical recycling collection seems to be gathering huge interest. The Community Council want to give every opportunity to all to get every electrical item big or small to Goleen. Cookers, Fridges, TVs, Bulbs, Dishwashers, all types of batteries big and small battery operated toys, power tools, IT equipment. Poke in the ditch at the back of the house and pull out that old washing machine—as long as the earth is cleaned off it, bring it along. You name it, we will take it all in the Community Centre car park. As the volume could well exceed what we first expected, we will open the centre for three days on Thursday October 7th 4 - 8pm; Friday 8th 4—8pm and Saturday 10 am—4pm. These times will have to be strictly adhered to and advice will be available at these times as to where you can drop off these recyclable goods when you get to the Goleen Community Centre . This is open to all wherever you live and it's absolutely free, so please use and respect it.

A Service of Remembrance will be held by Cork University Maternity Hospital on Friday 15th October at 7.30pm in St Joseph's Church (SMA), Wilton.

All who have experienced pregnancy or infant Loss are welcome to attend.

We held our harvest thanksgiving service on Sunday 26th September. Many thanks to Mark Dunwoody who addressed us on that occasion. We were fortunate to have a pleasant day to sit out in the Rectory garden afterwards. Thanks to all who provided food for lunch afterwards. We were particularly well provided with desserts - in fact we were unable to eat them all and had to send people home with supplies for days to come!

Congratulations to Julie Ludgate and John McCarthy who were married by the Rector, assisted by Fr. Gearóid Dullea, in St Brendan's, Crookhaven on 10th September. We wish them every happiness in their future together.

Our thoughts and prayers are with all those who have been bereaved recently.

We were particularly sad to record the death, after a long illness of Angela O'Sullivan of Crookhaven. We sympathise with Billy, Dermot & Alison, Chris, Alex & Katie and all her extended family and friends. Angela played the harmonium in St. Brendan's and did much to keep that church in good order.

Anne Sherridan (nee Jepson) passed away recently also. We offer our condolences to her family and friends.

Sympathy also to the Briscoe family on the recent death of Martin's mother in England.
